Do it at home

Sock Sorting Fun

1 What you need

A basket or pile of clean socks (mix up colours, patterns and sizes).

Two bowls, laundry baskets or boxes.

Use colours, matching pairs, sizes or patterns to sort.

2 Set up

Place the two containers in front of your toddler.

Put the socks in a basket or pile within easy reach.

Explain what you're going to sort (colours, pairs, sizes or patterns).

3 Let them explore

Encourage your toddler to pick up the socks and sort them into the containers.

They can sort by colour, match pairs, or group by size or pattern.

Celebrate their efforts and have fun!

4 What it supports

Sorting and categorising skills

Hand-eye coordination and focus

Problem-solving and concentration

Confidence and sense of achievement

5 Top tip

Change it up! Try sorting by different rules, or turn it into a matching pairs challenge. You can also use rolled-up socks or different household items.

We love to see little ones explore and have fun!
Please always stay close and supervise your toddler at all times,

so play is safe, happy and worry-free.
