

Tartan Toddlers Do it at home

Treasure Basket Exploration

1 What you need

A shallow basket or box and safe household items with different textures, shapes and sounds.

e.g. wooden spoon, silicone spatula, clean sponge, fabric scraps, metal whisk.

2 Set up

Place the items in the basket.

Sit your baby in front of it with support if needed.

3 Let them explore

Let your baby explore freely—touching, mouthing, shaking and banging.

There's no right or wrong way to play!

4 What it supports

Sensory development (textures, temperatures, sounds)

Hand-eye coordination

Independent exploration and curiosity

5 Top tip

Rotate items regularly to keep it interesting and exciting!

We love to see little ones explore and have fun!
Please always stay close and supervise your baby at all times,
so play is safe, happy and worry-free.
